

Docker ka SAWAL

CMD ENTRYPOINT me antar

ARG ENV me antar

COPY ADD me antar

MultiStage Dockerfile

Dockerfile likhne ke best practices

LightWeight image kaise banae?

Docker network kya hota hai

Dusre user se kaise chalaenge docker file me?

Docker Swarm/Docker Compose ka definition

Image ka vulnerability scan kaise karenge? - trivy

Kubernetes ka SAWAL

Kubernetes ka architecture?

Pod kya hota hai? kyu hota hai? Pod ko ip kaise milta hai?

Do pod apas me kaise baat karta hai? - ip use karke

Do pod alg alg namespace me hai toh baat kar paega ki nahi kar paega - kar paega..

pod ke beech baat rokenge kaise? - network policy se

Ek pod ke andar do container kaise baat karenge - localhost se
