

- Problems
1. Jyada application ke lie jyada public ip lgenge..
2. Web Application Firewall Missing
3. https nahi hai... (green lock)

Inko solve karne ke lie aaega Application Gateway

layer 7 - Application layer

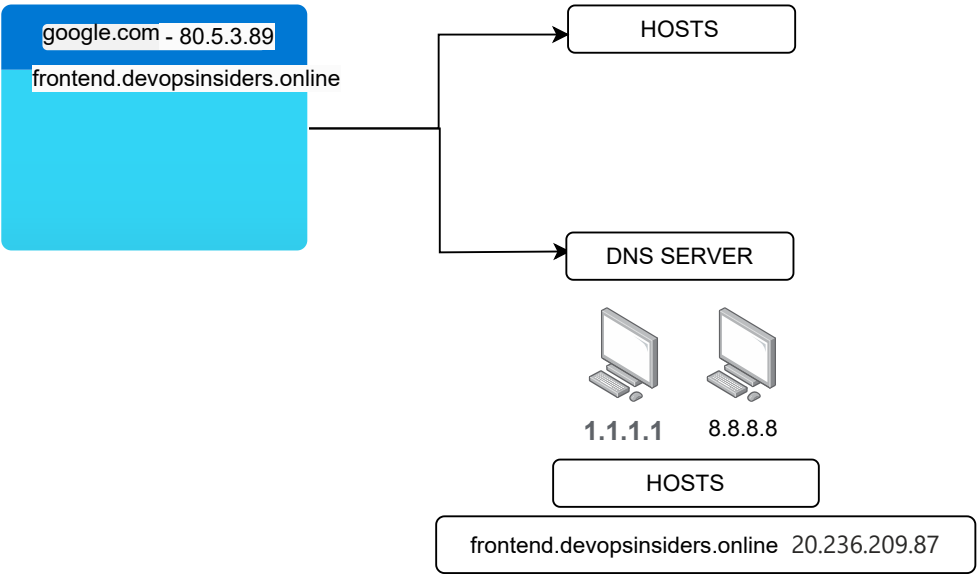

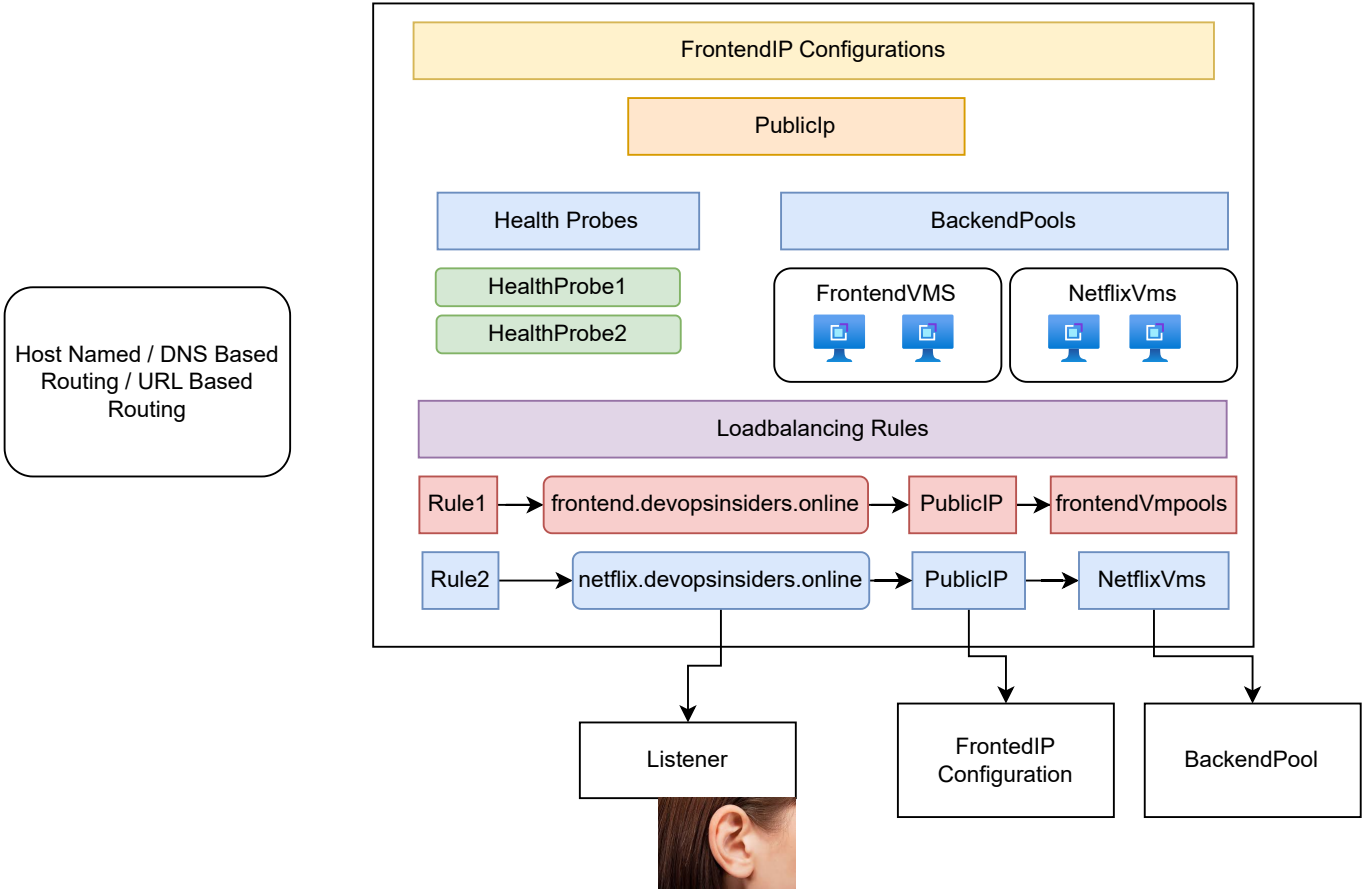

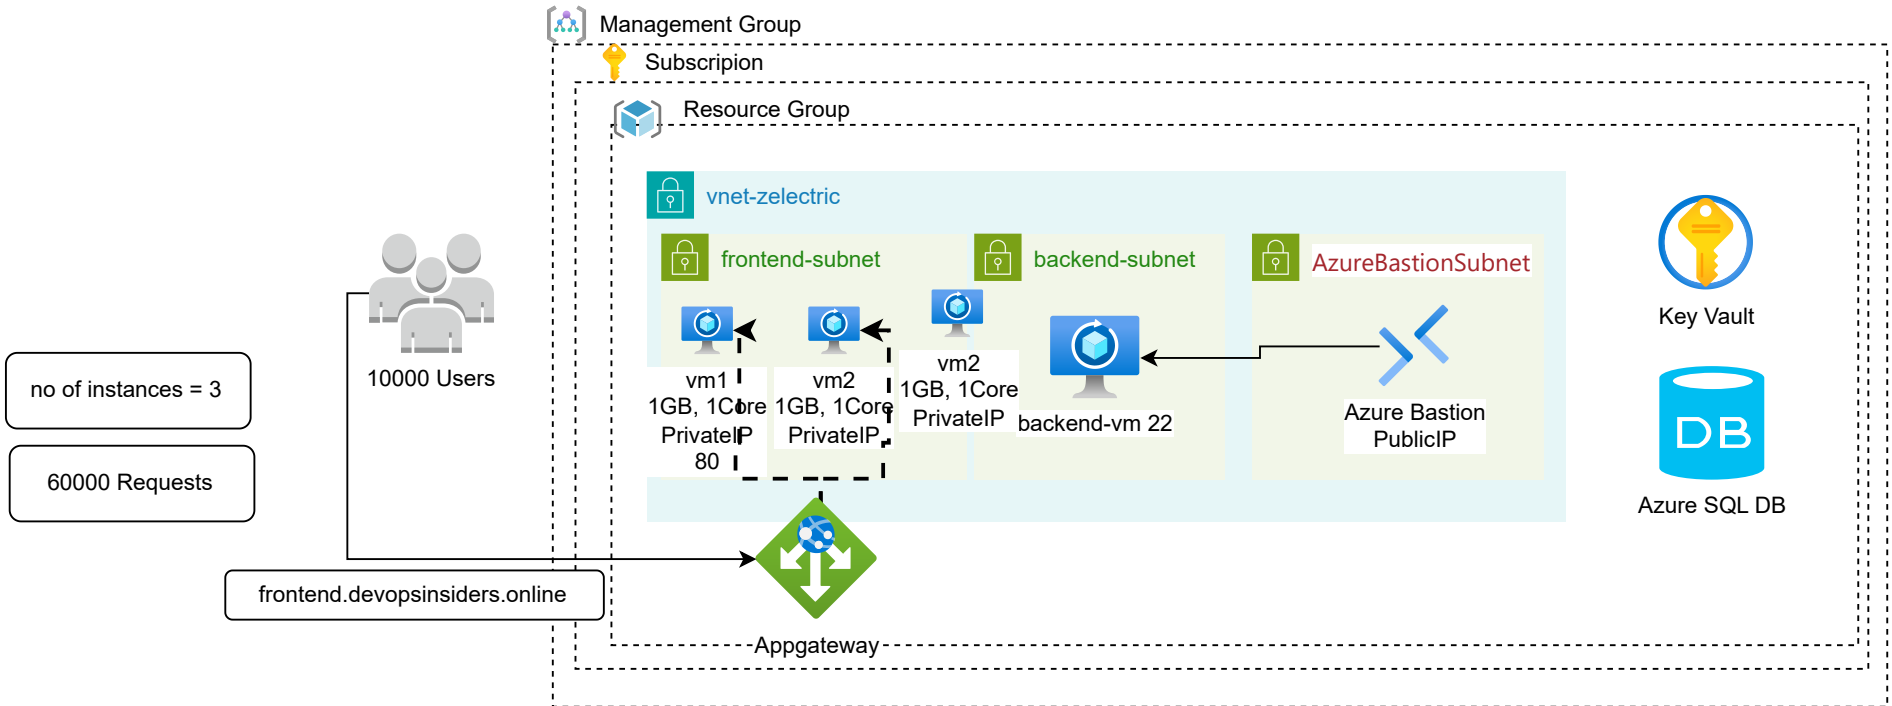

7	Application Layer	Human-computer interaction layer, where applications can access the network services
6	Presentation Layer	Ensures that data is in a usable format and is where data encryption occurs
5	Session Layer	Maintains connections and is responsible for controlling ports and sessions
4	Transport Layer	Transmits data using transmission protocols including TCP and UDP
3	Network Layer	Decides which physical path the data will take
2	Data Link Layer	Defines the format of data on the network
1	Physical Layer	Transmits raw bit stream over the physical medium
