

## Possible Scenarios

Add 2 new Resource Groups  
rg-madanlal  
rg-chamanlal

Delete RG Chaman from  
terraform

RG Delete from Portal but  
code bana tha terraform se

terraform apply --auto-  
approve - Without asking  
will run apply

Terraform me bhi kahi na  
kahi dimag toh hai..!

Nadi kinare saanp hai....  
terraform destroy chalana  
paap hai...

Baccha

# Code hi Satya hai

Zero Drift State - Matlab .tf code,  
azure portal aur state file me sab  
kuch same same ho...
